## The ergonomically designed Esprit toaster has perfect symmetry and is efficient and reliable

A truly stylish and sophisticated toaster selection. The Esprit Collection offers a touch of vibrancy with a range of coloured end-panels. For minimalist style, choose an Esprit model with polished or coloured aluminium ends.

Handmade by skilled craftsmen in the UK, the Esprit Collection proclaims its quality. Each toaster is individually tested and certified before leaving the factory. Built to last, with all parts, including elements, easily replaceable, the Esprit Collection represents a cost-effective investment compared to lower-priced alternatives.

### Features include

- Energy efficient, rotary slot selector switch
- Single sided toasting feature for buns
- Variable timer with 'toast ready' ringer
- Neon indicator lamp
- Handmade in the UK by skilled craftsmen
- Retro design with a choice of polished or coloured end-panels
- Every toaster individually tested and certified before leaving the factory
- All parts guaranteed, except elements

### Esprit Bread

Esprit Collection bread toasters come in 2, 4 & 6 slice models. They feature energy efficient slot selection, timer, and neon indicator lamp, providing all the control necessary for great results.

### Esprit Brunch

Esprit Collection brunch or combination toasters feature two conventional bread slots or one wide and one or two special slots with a holder for toasting sandwiches. This toaster is controlled by a variable timer and slot selector switch for toasting single slices of bread, sandwiches or buns.

### Esprit Sandwich

Esprit collection sandwich toasters are available in 2 and 4 slot size; each with integral plated sandwich holders and heat resistant handles. The toasters have a single timer switch with a second rotary switch to select the number of sandwiches to be toasted. An additional feature allows single sided toasting for buns etc.

### Esprit Thick 'n' Thin

Esprit Collection thick 'n' thin toasters - the three in one multi-use - feature two ordinary slots and two wider slots. This toaster is controlled by a variable timer and a slot selector switch, which controls either the conventional or wider slots, or alternatively, all slots simultaneously.

### Esprit Breakfast

The Esprit Collection Breakfast toaster is designed for self-service areas, giving the flexibility for two people to operate each half independently and at the same time. Each two-slot section has a ringer timer, neon indicator and toast ejector handle. Available with conventional or wide slots.

### Esprit Camel

The Ultimate Esprit Toaster, with two conventional, one wide slot and a sandwich slot. The rotary switch allows thick or thin bread, or alternatively all bread slots simultaneously, sandwich, buns (single sided), waffles and many other unusual items to be toasted.
