

9USB / 9USB TALL

Classe 9USB has an eye-catching, futuristic design and is made from tough materials, such as stainless steel and aluminium, so it's packed with character.

Shock-absorbing side panels guarantee a sturdy machine that's practical to use.

Available with 2, 3 and 4 groups and also in a TALL version.

Classe 9USB features advanced electronics and an alphanumeric display for managing the machine's main settings.

Innovative functional elements like the soft-touch button control and ergonomic lighting assist the barista in every phase of use and cleaning.

The hot-water temperature control system for tea and infusions has two different temperatures and programmable dosing.

Stunning lights on the steel side panels and the floating front panel accentuate the design, lending the machine a strikingly elegant yet bold and trendy look.

Classe 9USB has an ergonomic lighting system in the work area to make the barista's job easier plus chrome group covers and all the distinctive stylish accessories from the Rancilio range.
